

# The Latimer Photos

## Portraits in Time

Take a glimpse into our past through photos taken at or near Latimer's General Store in the 1920s and 1930s.

The Codrington Public Library holds two photo albums containing 456 photos of people who stopped at William Latimer's store, all taken by his son, Hugh Latimer.

This valuable heritage resource is being merged with family tree information from [www.treesbydan.com](http://www.treesbydan.com) to identify the people in the photos. You can help!
